Lancement de la procédure de modification du PlanLocal D'URBANISME (PLU) DE LA COMMUNE DE TINCQUES

RÉSULTAT DE LA FUSION DES COMMUNAUTÉS DE COMMUNES DITES «DE L'ATREBATIE» DE «LA PORTE DES VALLÉES ET «DES DEUX SOURCES» LA COMMUNAUTÉ DE COMMUNES DES CAMPAGNES DE L'ARTOIS (CRÉÉE LE 1ER JANVIER 2017) DISPOSE DÉSORMAIS DE LA COMPÉTENCE «AMÉNAGEMENT DE L'ESPACE» QUI LUI PERMET DE PRESCRIRE, DE MODIFIER OU DE RÉVISER LES DOCUMENTS D'URBANISME SUR SON TERRITOIRE (CF ARTICLE 4 DE L'ARRÊTÉ PRÉFECTORAL DU 6 DÉCEMBRE 2016)

Lors de leur séance du 19 juillet dernier, les élus communautaires ont prescrit la modification du Plan Local d'Urbanisme (PLU) opposable sur la commune de

TINCQUES depuis le 8 décembre 2003, de manière à permettre d'aménager son règlement, dans le but de faciliter le développement et l'accueil de nouvelles entreprises

au sein de la zone d'activités «Ecopolis» amenée à se développer au sud, notamment en raison du projet de contournement de la Route Départementale 939.

UNE ENQUÊTE D'UN MOIS

Le projet sera notifié aux personnes publiques associées ainsi qu'à l'ensemble de la population, puis soumis à enquête publique pendant une durée d'au moins un mois, en Mairie de TINCQUES et au siège de la communauté de communes, 1050 avenue François Mitterrand à AVESNES-LECOMTE (62810).

Dès lors que le commissaire enquêteur aura été nommé par les soins de Monsieur le Président du Tribunal Administratif, la date de l'enquête publique sera portée à la connaissance des administrés lors d'un prochain bulletin et par affichage au placard municipal.

Élaboration du PLAN LOCAL D'URBANISME (PLUi)

LA COMMUNAUTÉ DE COMMUNES DES CAMPAGNES DE L'ARTOIS TRAVAILLE À L'ÉLABORATION DE DOCUMENTS D'URBANISME À L'ÉCHELLE COMMUNALE, DE MANIÈRE À PERMETTRE AUX ÉLUS DE RÉFLÉCHIR AU DÉVELOPPEMENT DE CHAQUE COMMUNE, TANT AU NIVEAU DE L'EXTENSION URBAINE, QUE DE LA PRÉSERVATION DE L'ENVIRONNEMENT OU ENCORE DE LA MISE EN VALEUR DU PATRIMOINE.

Le but, à terme, est de pouvoir anticiper l'évolution des villages et leurs besoins en équipements et en services à l'horizon 2033.

La communauté de communes des campagnes de l'Artois a décidé de lancer la procédure d'élaboration de son Plan Local d'Urbanisme Intercommunal (PLUi). Ce document est unique et réalisé sur l'ensemble du secteur Nord du territoire intercommunal, dont la commune de TINCQUES fait partie.

Cet outil stratégique concernera tous les domaines du quotidien (démographie, environnement, habitat, mobilité ...) et permettra de définir clairement la stratégie du

territoire à long terme.

Une fois approuvé, le PLUi se substituera à l'ensemble des documents d'urbanisme opposable sur le territoire de la communauté de communes.

Il sera composé d'un rapport de présentation (diagnostic), d'un projet d'aménagement et de développement durable (PADD), de documents graphiques, d'un règlement et de ses annexes.

UN REGISTRE À DISPOSITION DES HABITANTS

Dans la volonté de pouvoir réaliser un document clair et objectif, un

registre (dossier de consultation) est mis à votre disposition en Mairie de TINCQUES où vous pourrez le consulter et y consigner vos observations aux jours et heures d'ouverture habituels d'ouverture au public, pendant toute la durée rendue nécessaire par l'élaboration du nouveau document d'urbanisme.

Pour tout renseignement complémentaire, vous pouvez contacter M. Aurélien LEFEBVRE au 03-21-220-200 (62810).

La ducasse 2018 UN RENDEZ-VOUS ANNUEL

Dimanche 26 août se déroulera la ducasse de Tincques avec sa traditionnelle brocante qui rassemblera cette année 340 exposants. Cette manifestation attire de plus en plus de visiteurs qui viennent faire des amplettes ou simplement se promener si la météo le permet. Comme chaque année, un plan de circulation a été mis en place avec un dispositif de déviations. La circulation dans la commune sera particulièrement perturbée en raison

des nombreux stationnements sur les trottoirs.

Cette année, le parking du club de sport Endorphine (ancien silo Avenir Rural côté Béthencourt) sera accessible pour les visiteurs (40 places)

Il est conseillé aux résidents qui souhaiteraient utiliser leur voiture dans la journée de prendre les dispositions nécessaires afin d'éviter de se retrouver bloqués.

Parmi les exposants, le stand GRDF sera présent comme l'année dernière pour informer les particuliers qui hésitent encore sur une éventuelle utilisation de l'énergie gaz qui arrivera prochainement à Tincques. A ce propos, le feu vert a été donné par la SNCF pour la traversée souterraine de la voie ferrée et les travaux d'installation du réseau gaz pourront reprendre en octobre.

Aménagement À L'ÉCOLE

L'entrée de l'école a été aménagée cet été de façon à permettre aux parents de pouvoir attendre les enfants de manière plus agréable et sécurisée. Un abri bois devrait compléter le dispositif dans quelques semaines. Pour information, cet espace ne constitue pas un parking pour le stationnement de véhicules

Aménagement AU CIMETIÈRE

Finis les tailles! Une clôture en lamelles ajourées a remplacé la haie du cimetière côté station d'épuration. Le côté opposé pourra être fait de la même façon l'année prochaine.
